makepiece **VONI**
An evening of eco chic at **BLU**
Voni Blu

Prepare to be dazzled when local fashion boutique, Voni Blu, opens its doors for its first exclusive shop event; an eco-fabulous evening with leading ethical fashion label, Makepiece.

As ethical and sustainable fashion gains style credentials, Voni Blu is joining forces with unique knitwear company, Makepiece, and inviting you to an exclusive evening where Makepiece co-founder, Beate Kubitz, talks about fashion, style and her very own sheep.

This will be a free introduction to the issues driving fashion with a conscience and will demonstrate how you can select style with

substance and choose clothes which you can wear with pride. You will also learn more about the 'sheep to chic' brand which is making waves in the world of contemporary fashion with its dramatic and stunning knitwear designs and how co-founder, Beate, juggles the different worlds of farming and fashion.

Other eco collections will be available for viewing at the event including the eco-couture label, Elena Garcia.

Voni Blu's complimentary Eco Chic Evening will be held on Thursday 4 June at 7pm. Please email sales@voniblu.com or call 07734 816297 to confirm your attendance. Voni Blu is situated at 20 Castilian Street, Northampton.
